

WALLUMiNATION

FABRIC STYLES

PRINTED FABRIC STYLES

Printed proprietary fabrics are hand-sewn with silicone kedder along the edge so fabric can fit into SEG frame. The fabrics can be folded and reused. Entirely Green. Certified to meet fire codes.

FABRIC STYLES	MAX PRINT WIDTH	APPLICATIONS
Backlit Fabric	120	Artbox and Backlit Applications
Non-lit Fabric	120	Tension Fabric Displays
Acoustic Fabric	120	Front Lit and Non Lit Applications
Sheer Fabric	124	Hanging Bangers and Custom Applications
Flag Mesh Fabric	121	Indoor, Outdoor Flags and Banners
Blackout Fabric	120	Artbox and Blocker Applications
Reflector Fabric	110	Artbox Reflective and Blocker Applications

We also have access to a variety of additional specialty fabrics, including other sheer and mesh in a variety of weights. Whatever the project, we will find the right fabric.
